## January 2009

Our president, Joe Smith presided over the meeting. Visitors were Keith Hopper, Dick Simpson, and Harry Newman.

It has come to our attention that Bill Morris recently had a knee replacement. We are hoping for his quick recovery, and hope to have him back with us soon.

## Show and Tell

David Gaines showed us a very nice large bowl he had turned from Walnut. It was finished with Wipe-On-Poly.

Dave Jones brought in two attractive small bowls turned from a Walnut crotch.

Dave Jones also had a nice bowl from Tree of Heaven

and a really nice covered vase from Walnut (?).

Ervin Jones showed us some of his very nice Christmas tree ornaments.

Gary Gibbs brought in a mortar and pestle

and a beautiful Maple bowl.

You just have to see his natural edge Maple "Moth Man" bowl!

Delbert McCartney brought in one of his wonderful segmented covered dishes, from Holly and Cedar. This dish also had a removable insert tray.

Delbert also had a nice plate with a segmented insert.

**Byron Young** showed us a convenient photo box, which he had purchased from Ritz Photo. Results of this box can be seen in some of the recent additions to [Byron's Gallery](#) on the website.

**Byron** showed us three very nice little hollowforms turned from Holly.

One was lidded.

He also had a "weed pot" from Oak

and a couple neat bracelets, one from Maple and the other from Purple Heart.

In addition he had several other attractive hollowforms.

**Jim Morrison** had a spectacular segmented platter, made from Walnut, Holly, and Purpleheart.

He also had a hollowform, which had developed a crack, so he cut it in two so that we could see how it was hollowed.
