

June 2012

## *Mountaineer Woodturners*

*A chapter of the American Association of Woodturners*

### July Meeting

The Mountaineer Woodturners did not hold a formal meeting in July. Instead, the members set up and operated a booth at the Mountain State Arts and Crafts fair held at Cedar Lakes each July. Club members wishing to participate had an opportunity to display and sell their turning creations. Here are some of the items featured in the club's booth.

Club volunteers worked the booth and also provided guidance for the "Make and Take" program sponsored by the club.

## Craft House Display

Here are the pieces that the members submitted to the craft house for judging as the fair opened. There may have been other entries submitted later. John will have the ribbon information at the picnic.

## Annual Picnic

The Mountaineer Woodturners annual picnic is scheduled for Saturday, August 18th at Cedar Lakes. The club will supply plates, utensils, cups, soft drinks, and ice. Bring a covered dish, the family, lawn chairs, and any turned pieces that you care to brag about. Dinner is planned for noon. Come early for an informal meeting before dinner. We will have the same shelter as last year (#4?); located very near the park entrance. The food and turning talk are always abundant at the picnic. Come on down and enjoy the camaraderie.
