

# *Mountaineer Woodturners Newsletter*

## September 2004

Our president, Dave Jones presided over the meeting.

There were 19 members and five visitors present. The visitors were John Wolf, Fred Hill, Tom Wilson, Kerry Noble, and his son John Noble. We are certainly glad these folks joined us.

### **NEXT REGULAR MEETING**

**October 9, 2004**

**Chris Ramsey will demonstrate turning hats**

**Cedar Lakes**

### **Business**

- The turnout for the picnic this year was disappointing.
- Tom Schottle reminded us that Chris Ramsey would be the main attraction at the October meeting and Keith Bundy would give a demonstration at the November meeting.
- Tom is taking ideas for our 2005 schedule. He is open to all suggestions.
- Tom applied for and won a \$700 grant for the club for demonstrators for next year. Thanks to you Tom!!
- Our treasurer was in South Charleston selling all his turnings, so there was no treasurer's report.

### **Show and Tell**

**Dave Jones brought a wonderful spaulted Oak lidded vase with a Walnut top.**

**He had a small turned lidded box from Cedar with a Holly finial.**

**There was also a small lidded vase**

**Tom Schottle brought in some of his wonderful Alabaster turnings. He had an attractive orange Alabaster footed bowl with an Ebonized lid.**

**He also showed us the wooden prototype of that footed bowl, also with an Ebonized top.**

**Tom brought a chess piece he had turned from Alabaster.**

**He also had a nice white Alabaster dish**

**and a wooden scoop, which was turned using 4 centers.**

**Jim Morrison brought in an attractive vase turned from a construction laminate used for making support beams. He thinks the laminate is**

**made of Poplar.**

**Mike Wade (Remember him?) brought a fine Walnut bowl.**

**Tom Wolf had a nice lidded box turned from Ash with an Ebony handle**

**U.K. Dawson** brought in a pair of attractive bud vases turned from pieces of American Chestnut fence rails.

### **Annual Wood and Tool Auction**

**There was not much wood to be auctioned this year. Jim Morrison donated a piece of that construction laminate. Then there were a couple little bundles of exotic wood mixtures. There were some nice tool bargains, though, in addition to some nice chucks. The auction netted the organization about \$290. Thank for the tool and wood donations. And special thanks to our auctioneer, the renowned Bob Fleming!**
