Annual Wood & Tool Auction. Every one is encouraged to bring their unused junk and lots of money to buy other folk's junk.

## Miscellaneous

Two important symposia are coming up in October put on by the North Carolina group ([Turning and Learning](#)) and the Ohio Valley Woodturners Guild ([Turning 2009](#)).

The Ohio Valley Woodturners Guild had their trailer, with their lathes in it, stolen. If anyone is approached about a "real deal" on some Jet lathes, call them.

I have included links to pictures of the "Show and Tell" items as well as a link to the website. Those who do not have email addresses listed with me will receive the usual hardcopy newsletter by US snailmail. Any others who wish a newsletter by mail should let me know.

Please send me pictures of your work (CD, email, memory stick - - any JPEG file) so that I can add it to the gallery.

The Newsletter with pictures is also available on the website.
